

allUScu I can use some extra cash this month, I want to skip a payment!

Eligibility Requirements:

- Requests must be submitted at least 24 hours prior to loan due date. Requests made during the grace period may not be approved.
- All credit balances and loans are current, up to date. (Your Credit Union share accounts may not have a negative balance or you may not be past due on any loans.)
- You may participate in the Skip a Payment program two months in a 12 month period but not in consecutive months.
- Your interest will continue to accrue and the skipped payment will cause your loan to extend beyond its expected pay off date.
- There is a \$30 processing fee for loan payments less than \$300 and a \$40 processing fee for payments over \$300. These fees must be paid in advance if you choose to participate.
- Mortgage and equity loans are not eligible for the skip a payment program.

You can take advantage of this offer by simply filling out this form and returning it to the allU.S.cu office or fax it to (831) 424-4778. Once we receive your request, your account will be reviewed. Upon acceptance based on eligibility requirements, your due date will be advanced one month from the current due date. If your loan is paid automatically or by payroll deduction, the request must be submitted 48 hours prior to the automatic payment. The funds for the payment will not be transferred to the loan and will remain in either your checking or savings account.
